## JADE HUGH - FIRST RECIPIENT OF THE ICHS AA TORONTO CHAPTER SCHOLARSHIP GRANT IN CANADA

Earlier this year we launched the Scholarship Grant for Canadians. We are pleased to announce Jade Hugh as the first recipient of this privilege.

Many thanks to the panel of judges, former Minister of Children and Youth Services Mary Anne Chambers, Dr. Anna Jarvis and Dr. Maria Scheifer.

Jade is a first year student at McMaster University, pursuing an Honours Bachelor of Kinesiology degree. She is considering a career in Rehabilitation or Physiotherapy. She is daughter of Tanya and Vernon Hugh, grand-daughter of Faye Tenn (nee Kong).

Jade has served as Senior VP on her High School DECA Business Council. She's an avid dancer

Jade Hugh

and pianist. She has a passion for fitness and was a member of her school Track and Field, Cross-Country, Soccer, Cheer-leading Squad and Dance Teams.

Jade has focused her energy in community work, such as the Terry Fox Runs and the Annual 10km Marathons to raise funds for the community hospital and cancer research. She has sat on the focus group for York Region Health Service Substance Abuse Prevention and has participated in a school event to help raise awareness to the Ontario Students Against Impaired Driving. Her vision for the future includes raising awareness about health issues affecting our society and encouraging others to maintain a health and active lifestyle.

## “PROJECT LIBRARY” NEEDS YOU

The ICHS library is in need of resources such as computers, reference books, novels and current magazines. Our executive has therefore identified the library as its major project. Through Yvonne Lyew, immediate past president of the ICHS AA Toronto, computers were sent to the school library this year.

Please contact us if you wish to contribute equipment, funds and resources for the library.

# President's Message

My Dear Fellow Alumnae,

I hope you and your families have had a safe and wonderful summer!

I would like to thank each member of the ICHS AA Toronto Chapter Executive Committee for the overwhelming attendance at meetings and for the tremendous enthusiasm, effort and accomplishments for 2007. Thank you ladies!

To recap the events of 2007, we held our annual dance in February at Sts. Peter and Paul Banquet Hall, with fabulous decorations, food, music, outstanding prizes and the HOT theme "Latin Fever" we had another great success - thanks to the social committee and all who attended. Even though our annual joint picnic (with Alpha and St.GC) in August was not as successful as we had hoped due to bad weather, those of us that attended had lots of fun. We were ecstatic to see a couple new, young faces with their children these are the members that keep our association growing and vibrant.

In August our Treasurer and Past President, Yvonne Lyew, visited our Alma Mater. While there, she arranged for the delivery of five computers (2 donated by the 1956 Graduating Class) and a printer to the

Library, compliments of the Toronto Chapter.

2007 also saw the establishment of two new scholarships, one for a graduate of ICHS attending University or College in Canada and the other for the offspring of a paid up member of the Association, attending University or College in Canada. Whereas we were disappointed in the lack of response from Jamaica resulting in no applicants for the first scholarship, we had four applicants for the second and as you will see from the announcement further on in this newsletter our scholarship winner was Jade Amanda Hugh a Kinesiology Major at the McMaster University and daughter of our own Tanya Hugh. Congratulations Jade! I take this opportunity to thank our esteemed panel, Mary Anne Chambers, Anna Jarvis and Maria Schleifer for taking time out of their extremely busy schedules to evaluate the applications and select our 2007 Scholarship awardee.

We are hoping that our 2008 scholarship campaign will be more successful. We cannot award scholarships if there are no applicants. The deadline for applications is June 30, 2008.

Our Executive committee has been working extremely hard this year and in addition to the activities normally undertaken on an annual basis, we have established subcommittees to ensure that no single member of the executive is overburdened and also to streamline the activities of the association. We have been working diligently to

update the Constitution and to create a Manual to document the various activities of the committee in an attempt to make the running of the association more effective and efficient.

In 2008, while ICHS and ICPS will be celebrating their 150<sup>th</sup> Anniversary, the Toronto Chapter will celebrate its 30<sup>th</sup> Anniversary as an Association and we have designated it our year of the Pearl. In addition to our dance on February 2, 2008, we will be having an anniversary celebration on June 22, 2008 at the Hilton Suites Toronto/Markham. More news to come!!

In closing, I wish to remind you that no matter how hard the executive works, the association cannot be successful without the contribution and support of you, its members. PLEASE CONTINUE TO SUPPORT OUR ACTIVITIES and enjoy the fellowship of your Alumnae family.

On behalf of the executive committee, I wish you and your families a safe, happy and Holy Christmas and look forward to seeing you at our annual Mass and Potluck being held at St. Thomas the Apostle Church, 14 Highgate Drive, Markham on December 2, 2007. Remember this is a FAMILY event so bring your husbands and children.

Sincerely yours

Cathrine (Katy) Sani  
President

### THE OZANAM HOME FOR THE AGED NEEDS OUR HELP!!

The Ozanam Home for the Aged was established on Half-Way-Tree Road in Kingston, Jamaica in 1953, with seven ladies who were placed under the care of Sister Teresita. In 1961 the home was relocated to its present location at 38 Mannings Hill Road.

Ten years later, the St. Clair Home for Aged Men was established at premises on Elizabeth Avenue donated by Mrs. Clara Johnson.

The facilities of both homes were merged in 1972 following the donation of an additional wing to the building at Mannings Hill Road by the Kiwanis Club of North St. Andrew .

These homes are not Nursing Homes. Incoming residents must be ambulatory and in fairly good health. Once admitted however, all their needs are met, both in life and in death.

THE BUILDING IS IN DESPARATE NEED OF REPAIR.

HOUSEHOLD ITEMS SUCH AS BED LINEN, TOWELS, AND DISHES ETC. ARE VERY OLD AND NEED TO BE REPLACED. YOUR KIND DONATION WILL BE USED TO PURCHASE THESE ITEMS AND IN TURN WILL MAKE AN AMAZING DIFFERENCE TO THE LIVES OF THE AGED AND SOMETIME FORGOTTEN RESIDENTS.
